NGSS Spring 2021 Information Session

Date: March 5, 2021   **Time:** 9:30 AM – 11:00 AM EST

Join the NGSS project's virtual information session to learn more about what's to come in Fall 2021, the deployment of Release 1.
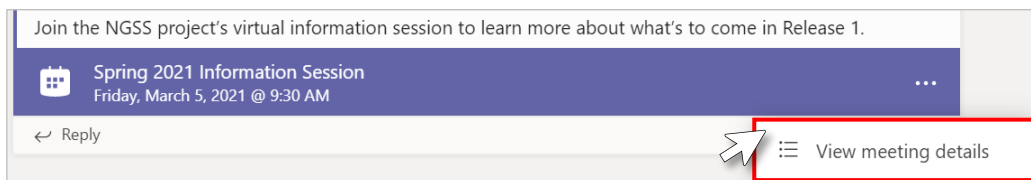

Who should attend?

The Fall 2021 deployment (Release 1) will mostly impact School Registrars and any school, division, or departmental staff responsible for scheduling classes.

We encourage administrative staff and those who are not directly impacted by Release 1 to attend the session to understand how Release 1 will be foundational for the success of Release 2 (March 2022).
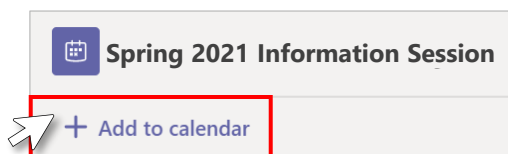

How do I attend?

1. Please join the linked MS Teams and locate the **Spring 2021 Information Session** meeting invitation.

2. Click **View meeting details** to open the invitation.

3. Click **+ Add to calendar** to accept the invite and add to your Outlook calendar.

Questions

For additional details, visit the Spring 2021 Information Session page on the NGSS website. For questions, contact the NGSS Change Management team at ngsscomms@isc.upenn.edu.
